PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Applicant's election without traverse of Species IX in the reply filed on September 02, 2008 is acknowledged.

The reply filed on September 02, 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): New claim 19 recites "seats" (ln. 4). As understood from the instant disclosure, this claim language refers to the embodiment of Figs. 13-17 where seats 33 receive the supporting ends 32 of a pedaling assembly 1. However, the elected embodiment of Figs. 18-20 is not mounted in such a manner. Note page 6, lines 19-28, of the instant specification. Therefore, no claims have been submitted which encompass the elected embodiment. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Robert M. Fetsuga at telephone number 571/272-4886
